Letter to Parents 14/2018

12 January 2018

Dear Parents/Guardians,

## **Enrichment Programmes for 2018 - Primary 4**

In line with our school's efforts to provide quality learning for our students, we have planned several programmes to enrich your child/ward's learning experiences this year. The intent is to expose your child/ward to different domains of learning as part of the holistic development of your child/ward. As these programmes are subsidised by the school, we strongly encourage you to support your child's/ward's participation. You may wish to refer to the next page for the list of enrichment programmes for your reference.

For Singapore Citizen students, payment for these programmes will be deducted from your child's Edusave account. If the Edusave funds are insufficient, the balance will have to be paid in cash/cheque.

For non-Singaporean students, payment for the enrichment programmes will need to be paid in cash/cheque to the school.

Please do not make any payment yet. The school will generate a school bill (similar to MOE bill) in early February, indicating the amount payable from your child/ward's Edusave account (for Singapore Citizen students) or your designated GIRO account (for non-Singaporean students). The deduction will be made on 15 February 2018.

Should there be insufficient fund, the school will generate another school bill in mid-March for the outstanding balance to be settled in cash/cheque.

Thank you.

Yours sincerely

---

Mrs Theresa Hong  
Principal

	<b>Amount Payable for students taking ML</b>	–	\$61.40
	<b>Amount Payable for students taking CL/TL/others</b>	–	\$41.40

### Information on Enrichment Programmes

#### 1. “The Leader in Me™” Programme

Based on The 7 Habits of Highly Effective People, our school hopes that The Leader in Me programme will help every Northoaks pupil to build self-confidence and develop personal management and social skills so that every child can be a leader in his/her own realm.

#### 2. Learning Journey to Heritage Trail

This experiential heritage tour provides an opportunity for students to learn about and appreciate Singapore's culture and traditions as part of their Social Studies curriculum. Students will visit a few cultural attractions and will also learn about the history and development of Singapore.

#### 3. 1-Day Outdoor Adventure Experiential Camp

This 1-Day Camp aims to provide opportunities for students to:

- develop self-reliance and explore ways to respond to a challenge.
- work with others in a group.
- develop a lively curiosity about the outdoor activities.
- develop leadership and team-building skills
- develop confidence through a series of challenging activities.

Date of Primary 4 Camp: 6<sup>th</sup> July 2018 (More details will be given nearer to the date).

#### 4. ML Enrichment: Dikir Barat

Dikir Barat is a style of Malay choral singing which is widely practiced and performed in Singapore and Malaysia. Through this programme, we aim to provide the students with a holistic learning experience as we combine music, poetry and singing with synchronised body movements. Students will be exposed to the different aspects of dikir barat, including the traditional musical instruments used during a dikir barat performance.

At the end of the programme, students should be equipped with additional knowledge of the Malay culture and the art of dikir barat. The students should also be able to put up a dikir barat performance with poise and confidence.
