Letter to Parents 65/2018

29 June 2018

Dear Parents / Guardians

Welcome back to the second semester of 2018. I hope you and your child have had a good vacation together, enjoying each other's company and that your child is refreshed and recharged for the new semester.

We would like to thank parents for the positive feedback you have given us for the Parent-Teacher-Child Meet held last term. We would also consider the suggestions gathered through the feedback. My staff and I look forward to working together with you to make the remaining school year an equally meaningful experience for our children.

CURRICULUM MATTERS

Holistic Assessment for Primary 1

As in semester 1, there will be no examinations for Primary 1 this semester. Assessment will be conducted in bite-size to assess students' level of understanding and to assess them holistically. Please refer to the attachment for details of the assessment plan for Semester 2.

Holistic Assessment and Semestral Assessment 2 (SA2) for Primary 2

Holistic Assessment will continue to be conducted in Term 3. All Primary 2 students will sit for the formal SA2 examinations in Term 4. Please refer to the attachment for details of the assessment plan for Semester 2.

Assessment for Primary 3, Primary 4 and Primary 5

There will be no Continual Assessments (CA) for the Primary 3, 4 and 5 students in Term 3, instead tests / performance tasks will be conducted for them. In Term 4, all Primary 3, 4 and 5 students will sit for the formal SA2 examination. Please refer to the attachment for details of the assessment plans for Semester 2.

Gifted Education Programme (GEP) Identification Exercise 2018 for Primary 3 Students

The GEP Identification Exercise aims to identify suitable students with high intellectual potential. Test-preparation activities could inflate students' scores and not reflect their actual potential. Students who are not ready to handle the intellectual rigour and demands of the programme will struggle with the enriched curriculum and not benefit fully from it.

The tentative schedule for the two stages of the GEP Identification Exercise 2018 is given below:

(a) GEP Screening Exercise (English Language and Mathematics)	Friday, 24 August
<u>Shortlisted students</u> are invited to participate in the Selection Exercise: (b) GEP Selection Exercise (English Language, Mathematics and General Ability)	Tuesday, 16 October and Wednesday, 17 October

The above information was given in our first newsletter dated 4 Jan 2018 (reference number 01/2018). Details regarding the GEP Screening Exercise on 24 August will be released at a date closer to the exercise.
