

NORTHOAKS PRIMARY SCHOOL

Letter to Parents 22/2020

5 February 2020

Dear Parents/Guardians,

STUDENT WELL-BEING

The school would like to thank all parents/guardians for your support in ensuring that your child/ward has a thermometer with him/her when the school resumes daily temperature checks. However, we still have a number of students who have yet to have a working thermometer with him/her and we would like to urge all parents to provide one for your child/ward. *(Please note that all Primary 1 students have been given a thermometer.)*

The school cares for the well-being of all our students and staff. We also want to seek your understanding not to bring your child/ward to the school if your child/ward is unwell and should see a doctor promptly. Your child/ward should remain at home until he/she recovers fully. Likewise, the school will also be contacting you to take your child/ward home if he/she is unwell.

We want assure all that MOE is constantly reviewing precautionary measures to ensure that our schools remain a safe and healthy learning environment for all our students. It is important to ensure that our students practise good personal hygiene, be socially responsible and always look out for and support one another.

In view of the 2019-CoV situation, the following activities/programmes will be suspended till further notice:

Level	Activity / Programme	Remarks, if any
