

Letter to Parents: 59 /2019

30 May 2019

Dear Parents/ Guardians,

SwimSafer 2.0 Programme for Primary 3 Students Online Theory Quiz

As mentioned in the earlier school newsletter, your child is required to complete an Online Theory Quiz via the ActiveSG web portal, within 2 months from their practical swimming assessment. You can assist your child to take the Online Theory Quiz via the ActiveSG portal using this URL address <https://members.myactivesg.com/swimsafer/> from this period: **31st May – 31st July 2019**. The ActiveSG portal can be accessed via smartphone, tablets or personal computers.

In our efforts to reduce the use of paper nationally, electronic certificates (e-Certificates) will be issued to students who have passed the practical and theory components of SwimSafer 2.0. The e-Certificates will be available in the ActiveSG account of the students. Students and their parents will be able to access the e-Certificates at their convenience and print a copy if necessary.

Please note that you may need to sign up as a member (if you have not done so) and tag your child/ward as a supplementary member as he/she is below the age of 12 years old. The website for both the e-Certificate as well as signing-up/tagging is <https://members.myactivesg.com/auth>

Please note that only those who passed both the practical assessment and theory test will get the e-Certificate. To access the e-Certificate via the website, kindly proceed to "My account" section after login.

More information on the SwimSafer 2.0 Programme can be found at <https://www.myactivesg.com/Sports/Swimming/How-To-Play/Swimming-facts/What-is-the-SwimSafer-Programme>. Should you have further queries, please contact Mr Jasni at 67538835 (telephone) or jasni_mahmood_jasmin@moe.edu.sg (email).

You may refer to the guidelines for students to access SwimSafer online theory quiz and SwimSafer E-Certificate user guide for parents in the school website.

Thank you.

In partnership with you.

Mrs Theresa Hong
Principal
