

NORTHOAKS PRIMARY SCHOOL

Letter to Parents 15/2018

12 January 2018

Dear Parents/Guardians,

Enrichment Programmes for 2018 - Primary 5

In line with our school's efforts to provide quality learning for our students, we have planned several programmes to enrich your child/ward's learning experiences this year. The intent is to expose your child/ward to different domains of learning as part of the holistic development of your child/ward. As these programmes are subsidised by the school, we strongly encourage you to support your child's/ward's participation. You may wish to refer to the next page for the list of enrichment programmes for your reference.

For Singapore Citizen students, payment for these programmes will be deducted from your child's Edusave account. If the Edusave funds are insufficient, the balance will have to be paid in cash/cheque.

For non-Singaporean students, payment for the enrichment programmes will need to be paid in cash/cheque to the school.

Please do not make any payment yet. The school will generate a school bill (similar to MOE bill) in early February, indicating the amount payable from your child/ward's Edusave account (for Singapore Citizen students) or your designated GIRO account (for non-Singaporean students). The deduction will be made on **15 February 2018**.

Should there be insufficient fund, the school will generate another school bill in mid-March for the outstanding balance to be settled in cash/cheque.

Thank you.

Yours sincerely

Mrs Theresa Hong
Principal
