

Letter to Parents 60/2018

22 May 2018

Dear Parents / Guardians

Thank you parents for participating in the series of Mathematics and Science Workshops held earlier this term. The school appreciates the time you have taken to work with our teachers to understand how you can support your child's learning at home. For the Mathematics workshops, the answer key for the various levels are available for your viewing on our school website.

STUDENT'S WELL-BEING

Term Break

The school Term 2 break will be from Saturday, 26 May to Sunday, 24 June and **school will resume on Monday, 25 June.**

Submission of Holiday Travel Plans

The school term is coming to a close and you may be taking your child/ward overseas for holidays. As part of the school's proactive and preparatory measure, the school seeks your cooperation in keeping us informed about your child/ward's travel plans.

The school requests parents of ALL Primary 1 children to declare the travel plans of your Primary 1 children during the June holidays, regardless of travel intent. A Nil return is necessary. Parents of other levels are to declare the travel plans of your children only if you intend to travel.

Please complete the return **by Thursday, 24 May** for our collation. Should there be any change of plans after the submission, please call the school at ☎6753 8835 so that we could update our records. Thank you for your support and cooperation.

Holiday Reading Programme & School Holidays - Library Opening Hours

Reading is important in developing a child's language ability as well as promoting creativity and imagination in the child. We would like to encourage our students to continue to cultivate the good habit of reading during the holidays.

The school library will also be opened during the school holiday period and the opening hours are as follows:

Days	Opening Hours
28 May to 1 June, 18 June to 22 June 2018	8.30a.m to 12.00 noon & 1.00p.m. to 3.30p.m.

Holiday Home-Helper Programme

The Home-Helper Programme@Northoaks aims at instilling responsibility in our children. During this holiday, we want to encourage every child to play their part in helping to keep the house clean and/or carry out acts of responsibilities. We strongly encourage you to be involved with your child in this activity and bond with your child. Your child will receive a Home-Helper Booklet to guide him/her in doing the activities. We would appreciate it if you could also pen your comments and thoughts when your child has completed the activities.

Temperature-taking Exercise –Thursday, 28 June 2018

The second temperature-taking exercise is scheduled on Thursday, 28 June. This routine exercise will serve to educate the students on the need to take personal responsibility for their own health and social responsibility for the health of others.

The thermometers for Primary 1 students are kept by the respective form teachers. The students have been taught how to use the thermometer and teachers will help remind students of their personal responsibility at this second exercise. The thermometers will be

returned to the students after this second exercise.

As for the other levels, the ODTs have been returned to the students. We would like to seek your assistance in ensuring that your child brings his/her personal ODT (in working condition) on the day mentioned. This is a good opportunity for us to reinforce the values of personal and social responsibility.

Thank you in advance for your support and cooperation. Together, we can provide a healthy and safe environment for all in our school.

PARTNERSHIP WITH PARENTS

Singapore Student Learning Space

As part of its commitment to nurturing future-ready learners, the Ministry of Education had announced that all students in Singapore schools will be supported in their learning by the Singapore Student Learning Space (SLS), an online learning platform that contains curriculum-aligned resources and learning tools.

With the SLS, students will be able to learn better through the use of technology. Students will be able to learn anytime, anywhere, and at their own pace, whether independently or with their peers. Teachers will also be able to use the SLS to complement their classroom teaching, further enriching students' learning experience.

SLS is being rolled out to all schools in phases. The students in our school have been given their accounts in May 2018. Our teachers will guide your child in activating the SLS account and using the learning platform.

We look forward to your support as we help our students strengthen their learning through the SLS.

Open House – Saturday, 14 July 2018

The school will hold its annual Open House on 14 July from 9.00 a.m. to 11.30a.m. All parents are invited to support the performances and visit our subject/programme booths to learn more about our school.

If you know of friends or other parents who have a child born between 2 January 2012 and 1 January 2013 and is registering for Primary 1 (for admission in 2019) this year, please encourage them to sign up for the Open House through our school website www.northoakspri.moe.edu.sg from 27 June to 10 July.

Junction Tree

Junction Tree is the first local bilingual TV programme for young children (pre-school and Primary 1-2 students). It is available in English-Chinese, English-Malay and English-Tamil on Toggle.

The programme is supported by Lee Kuan Yew Fund for Bilingualism and Information Communications Media Development Authority of Singapore (IMDA). Do encourage your child to view the bilingual programmes this holiday.

Have a good break.
