Letter to Parents 77/2018

8 October 2018

Dear Parents/Guardians,

## **PARTNERSHIP WITH PARENTS**

### **Home-Based Learning**

As the students will not need to be in school during the PSLE Marking Exercise, 15 Oct to 18 Oct, the school has arranged for learning to take place at home. The objective of this home-based learning is to engage the students meaningfully in their continual revision during the 4-day school break. We hope to promote self-directed learning among the students.

Students should try to log into the various learning portals at home. They should inform their respective teachers if their accounts have been locked out or if they have forgotten their passwords by **Thursday, 11 October 2018**. During the home-based learning days, teachers will not be available to assist with the log-in issues as they will be involved in PSLE marking.

The following are the recommended schedules for the Home-Based Learning:

We seek your kind understanding and patience should your child/ ward experience a slowdown in the internet system due to heavy traffic. As the portal is accessible throughout the day, we would strongly advise your child to sign out and sign in again at a later time to view the assignments. Do remind and encourage your child/ ward to take regular five-minute vision breaks after every 30 minutes of work on the computer.

**To assist students who have no internet access at home, we will be opening one of our computer labs from 8 a.m. to 12 noon during the PSLE Marking Days. You may bring your child to school at the scheduled time. Students would have to be properly attired in the school uniform. Please sign your child in at the General Office.**

Students who are with MERCU Student Care Centre will be scheduled to go to the computer labs as well.

We would like to express in advance our appreciation for your fullest support to make the implementation of the home-based learning a success and a meaningful e-learning experience for your child/ ward.

Please refer to the attached **Annex A** for the details of home-based learning.

In partnership with you,

Mrs Theresa Hong  
Principal

## Instruction Guide to Access the MC Online Portal

### 1. Logging In

To login and access MC Online LMS portal, go to [www.mconline.sg](http://www.mconline.sg)

A screenshot of the MC Online LMS portal login page. The page has an orange header with a Singapore flag icon and the text "Singapore Site". Below the header, the word "Login" is written in orange. There are three input fields: "Login ID" with the placeholder text "Login ID", "School" with the placeholder text "NKPS", and "Password" with the placeholder text "Password". Below the input fields is an orange "Login" button. Underneath the button are links for "Reset My Password", "Help", and "System Check". At the bottom of the page, there is a small disclaimer: "For authorised use only. Unauthorised use is strictly prohibited."

1. Type in your login ID
2. Type in the name of your school
3. Type in your password
4. Click Login

## 2. Accessing Assignments

The screenshot shows the Marshall Cavendish Online Northoaks Primary School portal. The 'My Subjects' section is highlighted with an orange circle, and a blue arrow points to the 'Lesson (2)' notification. The notification text reads: 'You have 2 new assignment(s): Lesson (2)'. The background shows a grid of subject cards for English, Maths, Chinese, Malay, and Tamil.

1. On the homepage, you can find lessons and/or tests assigned to your child. As shown in the screenshot above, it is located at the assignment panel.
2. Once you have clicked on the assignment panel, you will be able to view some information such as, the name of the teacher who has assigned the assignment, the due date and the completion status. You can see this in the screenshot below.
3. Click on the title of the assignment to launch the lesson or test viewer to complete the assignment.
  - a. For lessons, there is no "SUBMIT" button as submission is not required. These are automatically tracked.
  - b. For tests, you will have to click on a "SUBMIT" button at the end of every test.

### **For Technical Support:**

Before contacting the MC Online helpdesk, you may wish to access their FAQ which will address most of the common problems encountered when accessing the portal from home: [http://www.mconline.sg/LEAD/LEADHELP/login\\_help.htm](http://www.mconline.sg/LEAD/LEADHELP/login_help.htm)
